Ma première tâche est de soigner d'ici et de me ravailler.

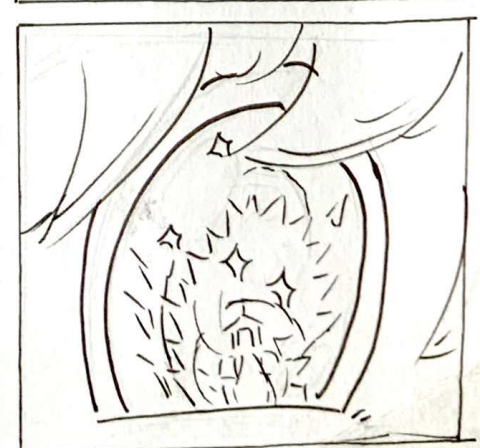

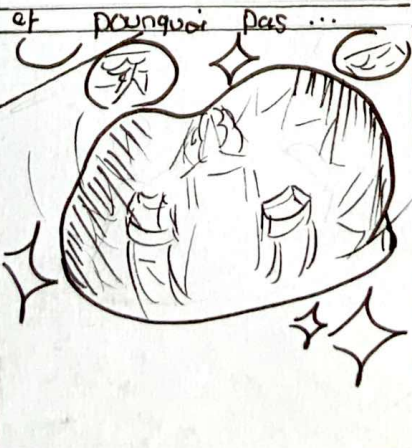

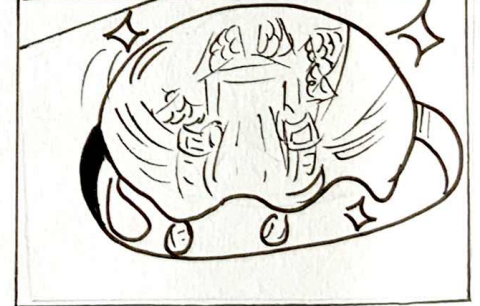

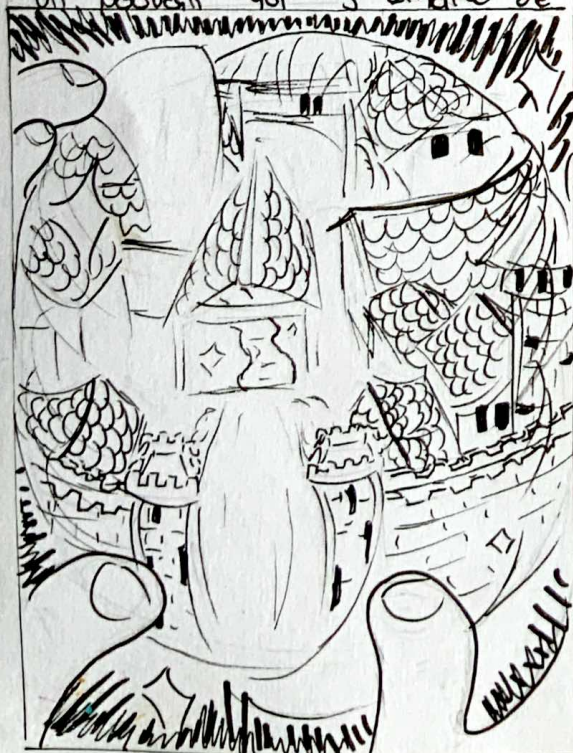

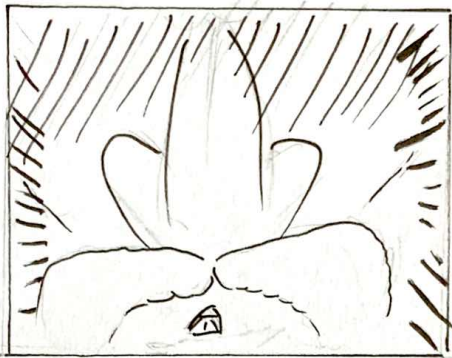

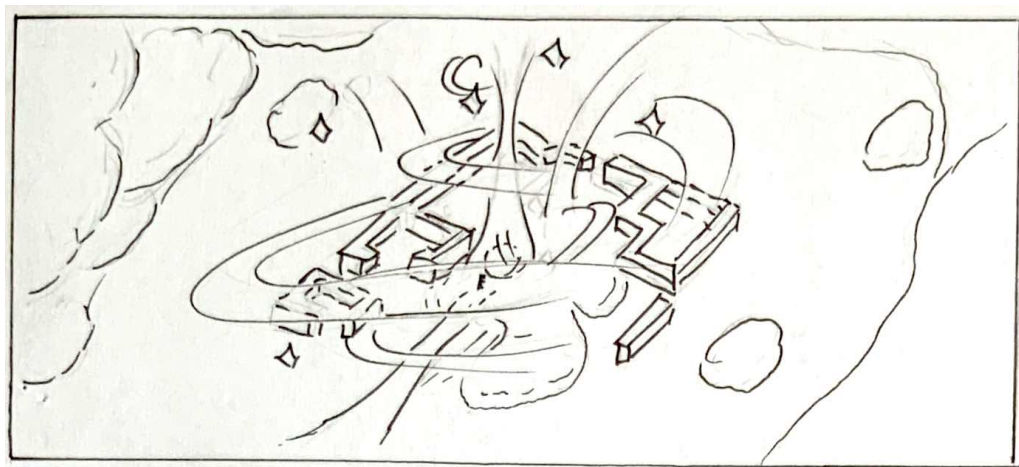

Castelin

« Ce si était autrefois un village majestueux remplie de villageois heureux et fier. Ce village à connu le Sont de la destruction par un golem de Bronze. Donc je te donne le pouvoir du bâtisseur »

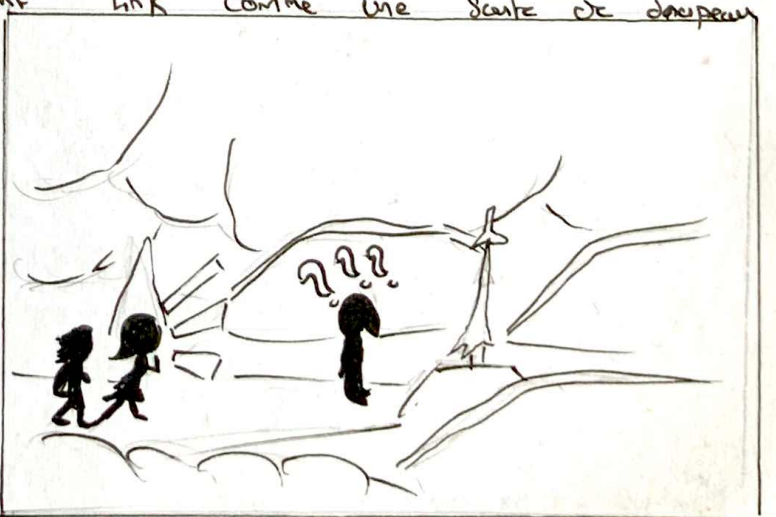

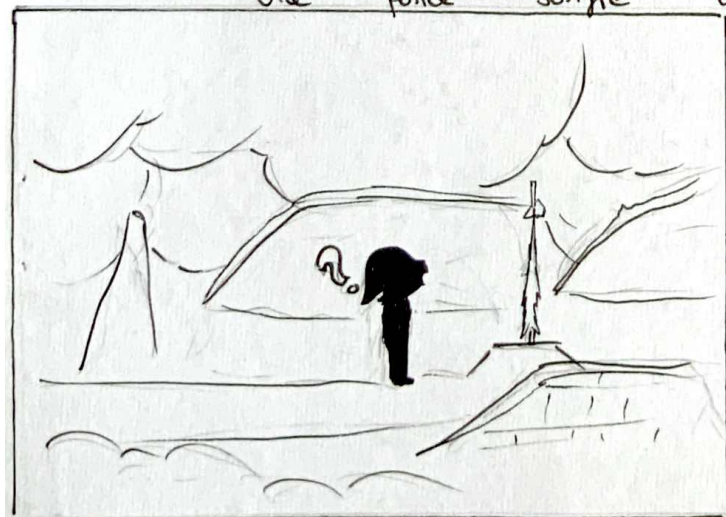

un pouvoir qui s'amane de la brule magique

Une force surgie devant Link comme une sorte de drapier

c'est impossible !
Tu... tu es vraiment sûr ?!

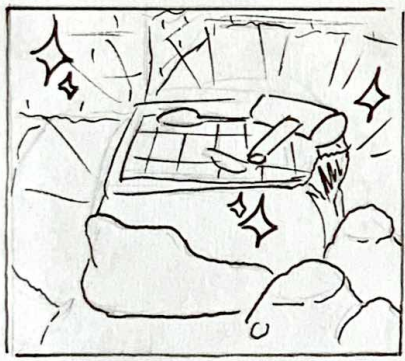

c'est, du moins, ce que j'ai entendu d'elle. Mettez moi au défi si vous le voulez. j'accomplirai avec succès!

Vois-tu cette maisonnette ? répare la, fais en sorte que ce soit une chambre pour nous trois.

Entendu !

D'accord..
Es-tu prêt
Faustin ?

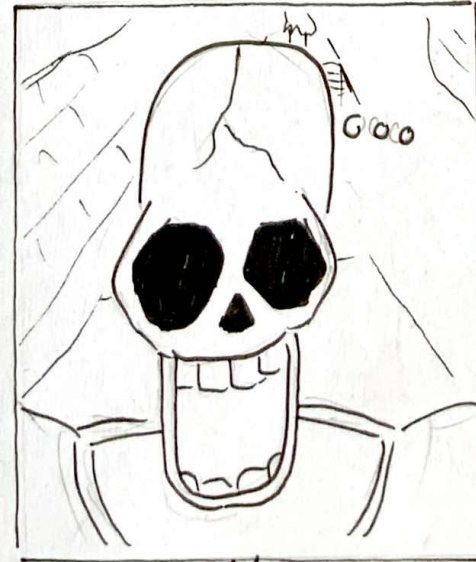

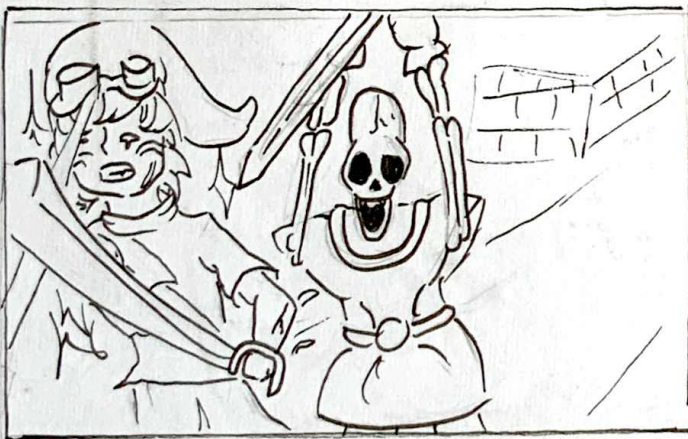

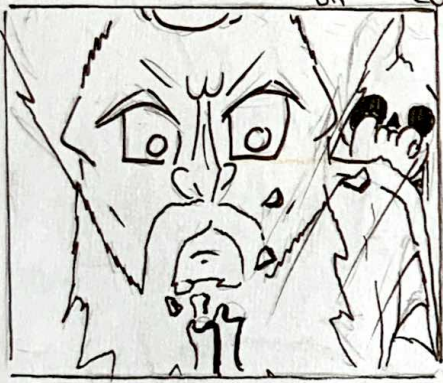

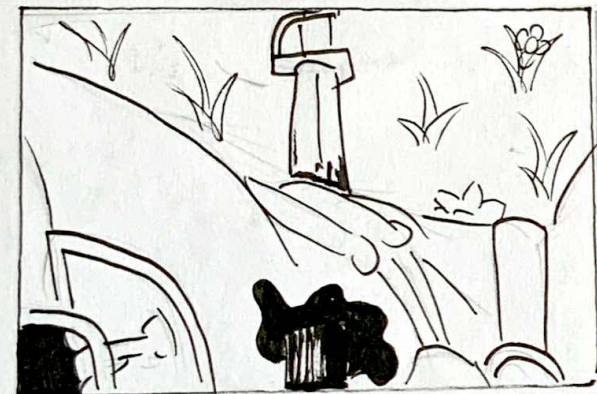

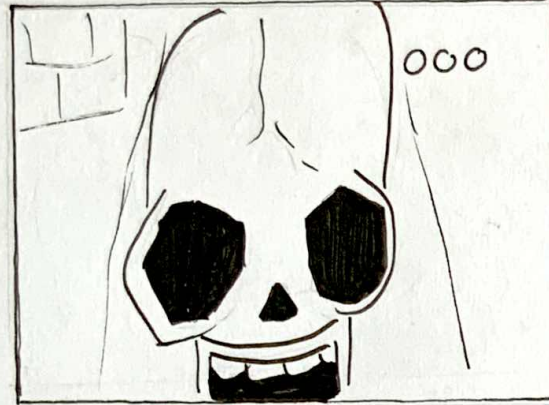

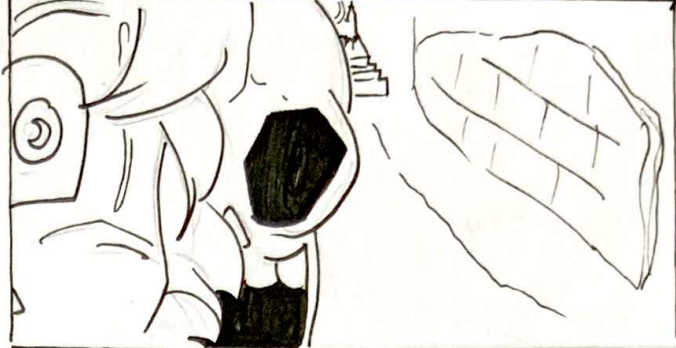

Rubiss...
Protège moi
pour mon premier
combat !

un combat s'enchaîne contre link et le squelette

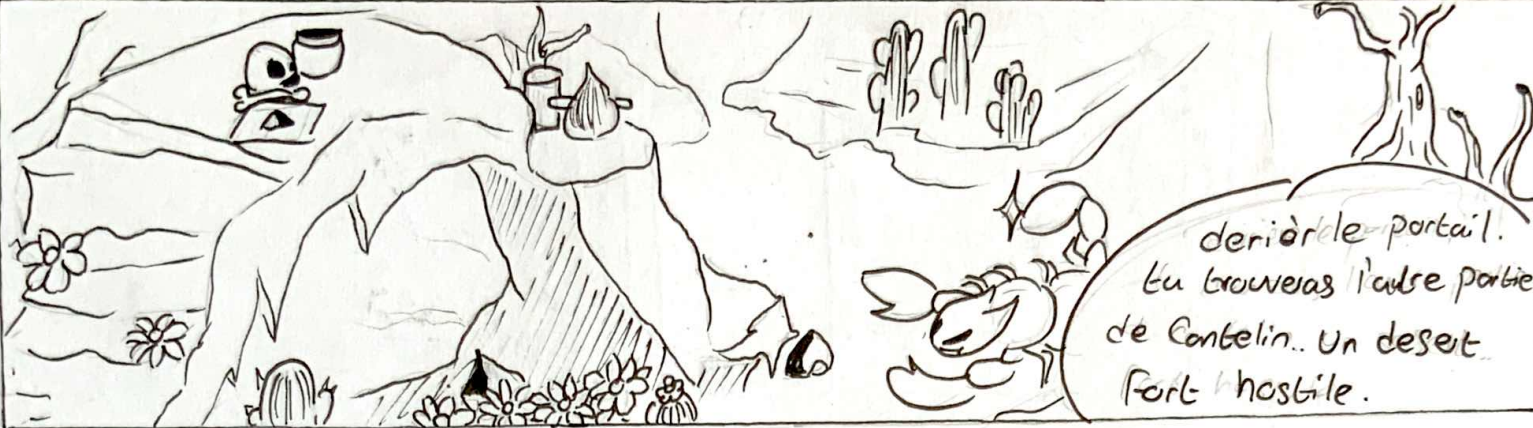

le lendemain

le squelette avait autour de une ceinture qui portait une perle

cette perle est précieuse qui nous servira.

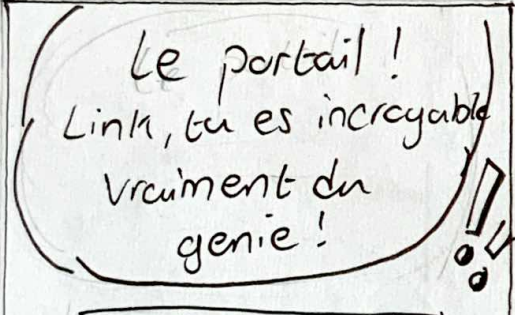

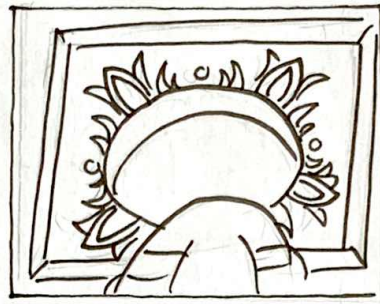

Elle nous servira pour créer un portail pour aller de l'autre côté de cathédrale.

derrière le portail.
Tu braveras l'autre partie
de Contelin.. Un desert
Fort hostile.

Tu dois retrouver
Magnus, le forgeron des
légendes à cette endroit
là!

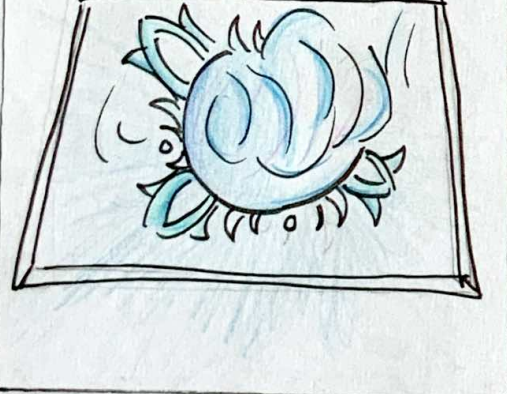

Le portail!
Link, tu es incroyable

genie!

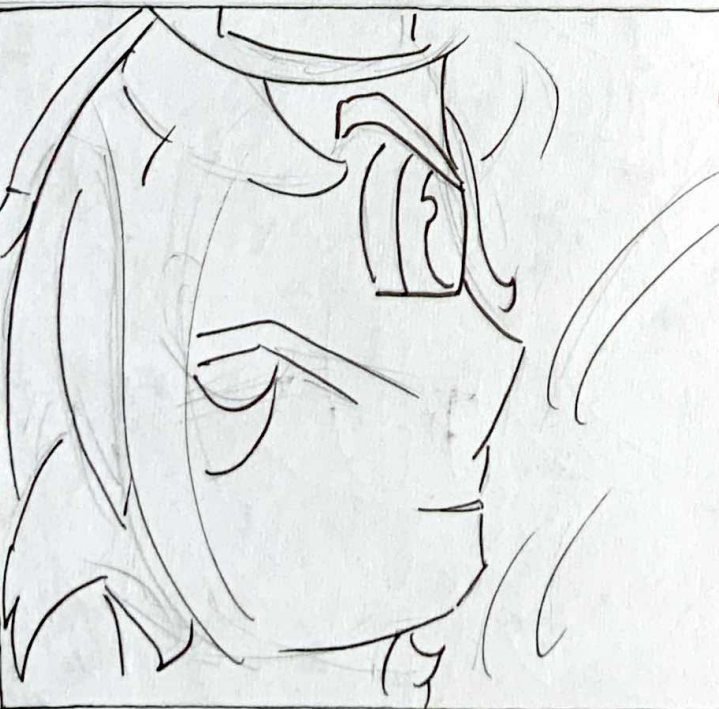

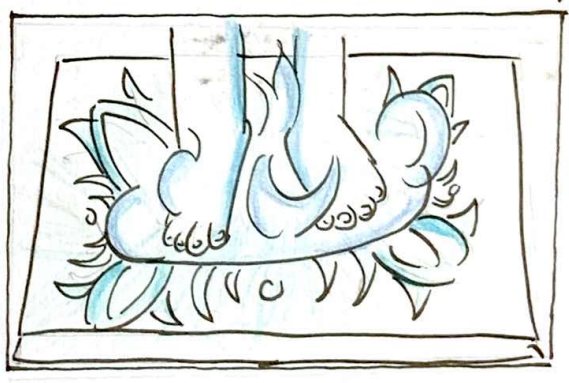

Plus qu'à
braver Magnus!

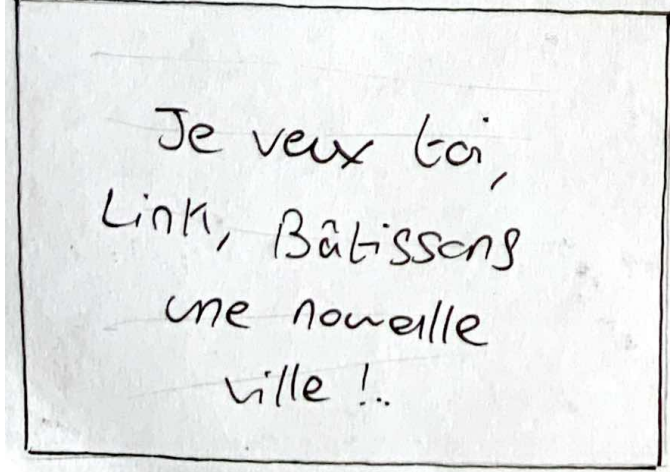

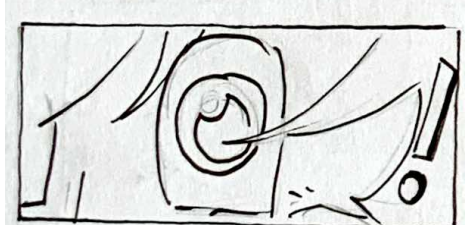

Hey.. fais
gaffe et

Indique moi ou se braver
Magnus...

De retour

Ève?!

On dirait que quelqu'un est content de me voir?

Oui, mais en fait tu avais dit que j'allais en Enfer après tu t'es...

Oh! J'avais besoin de plus d'explication.

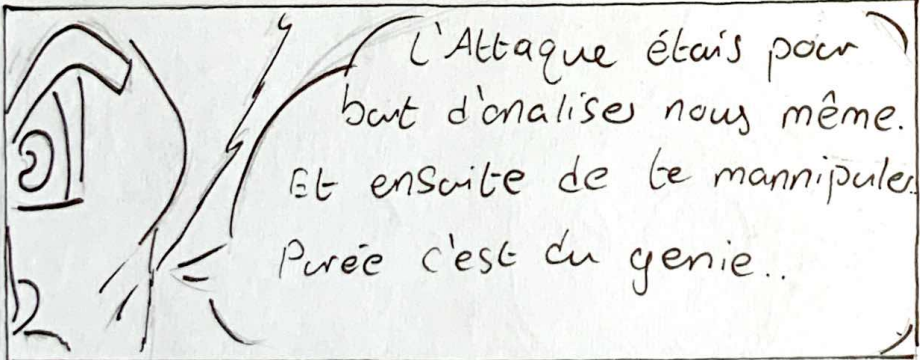

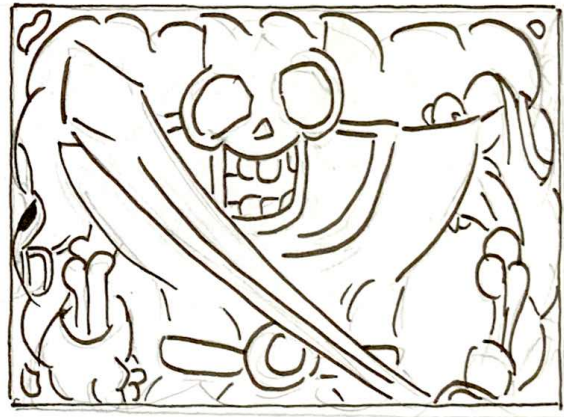

Link expliqua son aventure...

Se voir... Les créatures peuvent changer d'apparence... Celui-ci à du se changer en Ève.

Mais Oui!

L'Attaque était pour but d'analyser nous même. Et ensuite de te manipuler. Purée c'est du génie..

J'ai, derrière moi, la ville, mes résidents,
mes amis... Je ne peux pas perdre!

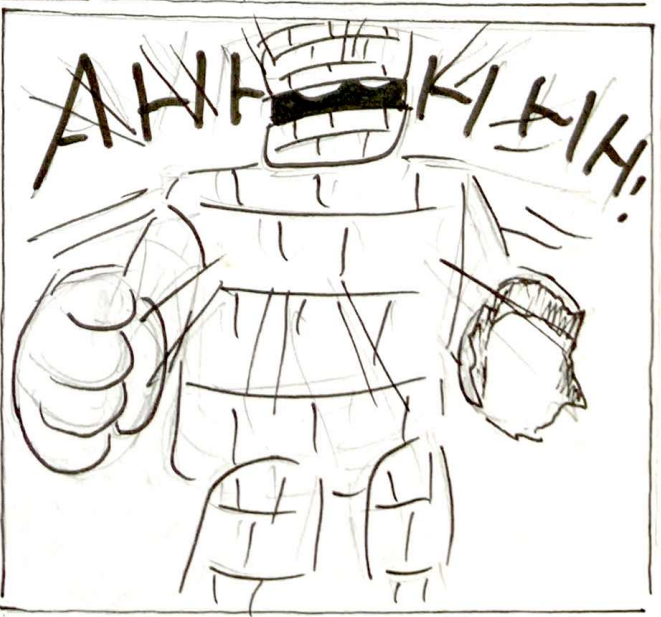

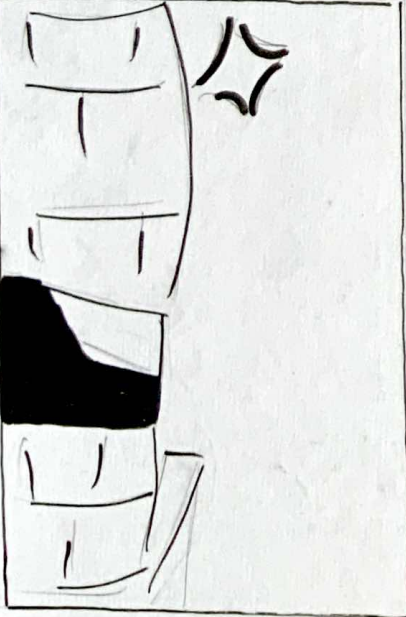

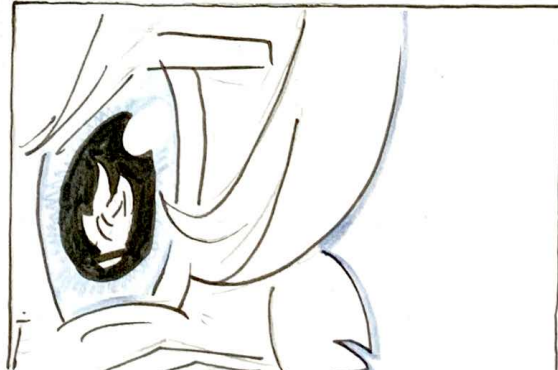

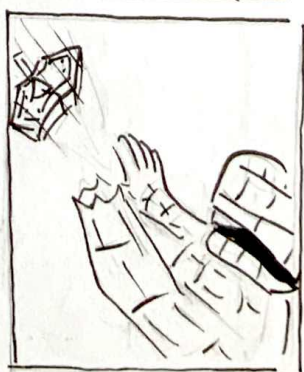

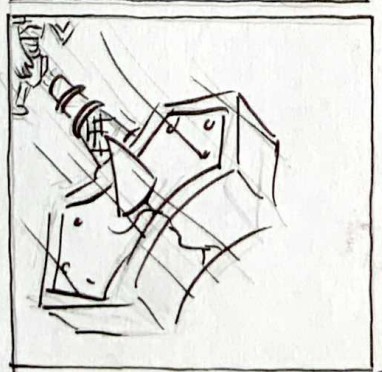

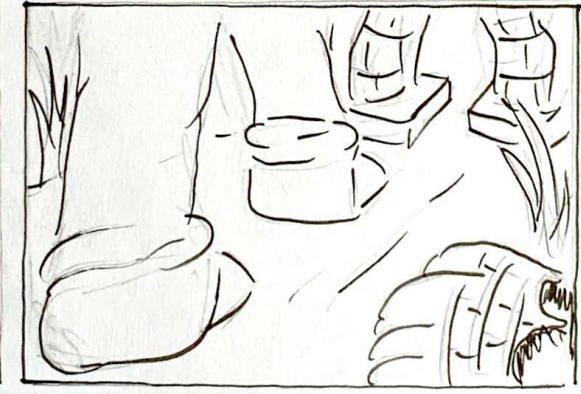

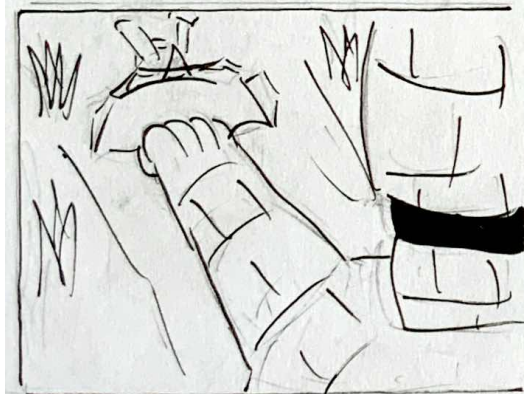

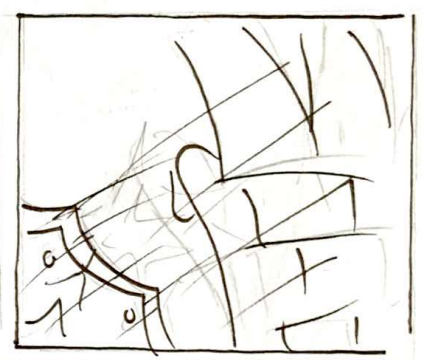

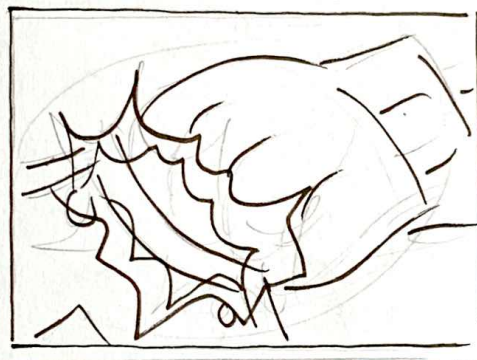

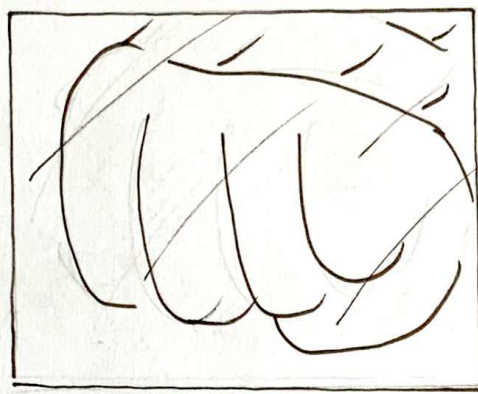

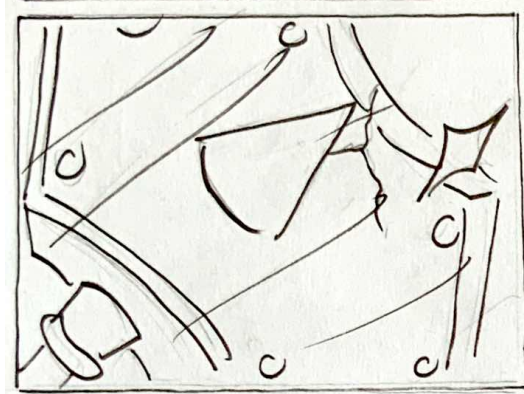

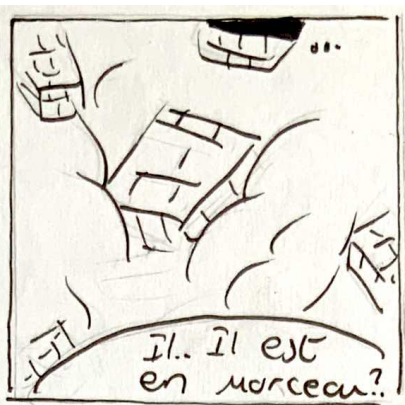

Il est hors de questions
que je perdet si je
ped... je ne serais pas
